

# **Pius XI Covid Mitigation for WSMA District Solo/Ensemble Festival**

Pius XI requires masking upon entering the building. Parents, students, directors, volunteers, and judges will need to be masked (except when eating). Masks need to cover the mouth and the nose.

While performing, string players, percussionists, and pianists need to wear a mask. Wind players and singers may remove their masks while performing (optional) but should replace their mask when no longer performing.

Pius XI is not asking for proof of vaccination or a negative COVID test to enter the building.

If you are feeling ill, have a fever of 100.4 or higher, or have any of the other known COVID-19 symptoms, please do not attend.
